Welcome to Kirkley Hall Zoological Gardens

This scrap book is to let you capture your day here at the Zoo,

Where you see a camera picture take a picture so you can print of the photo and stick it in this book when you are back at school.

If you see a big question mark then this is to tell you to find out some information and write it in this scrap book.

We hope you enjoy your day here at the zoo

Remember see this take a picture so you can print it off later to stick in this book

And is you see the question mark find out the answer to the question in this scrap book

Alpaca
and Rhea

Goats and
sheep

Look at the signs and find out where the Cameroon Sheep and the Goats come from:

What do alpacas eat?

Look at the emus; Can you see how many toes they have?

emus

wallabies

Reindeer

Mara

Look at the eagle owls. How do they cope with the cold weather?

See what birds you
can take a picture
of

Look in the wetlands take a pic of some of the birds you like.

How many birds can you see?

The meerkats are social animals; Can you get a picture of them with their friends?

We have a number of monkeys here at the zoo, Choose your favourite and take a pic.

What species of monkey did you choose and why?

As part of your day here you get the opportunity to touch some of our furry friends. Take a pic of your friends handling some of the rabbits and guinea pigs
